UNTIDY AND UNSIGHTLY PREMISES (THIS includes abandoned, unregistered derelict and junked vehicles that meets the criteria pursuant to the Urban Municipality Act.)

As we are commencing preparations for our 2005 centennial celebrations a number of community beautification issues will be raised with a number of property owners. Our community has always been proud to boast of being one of the cleanest and well kept places in the Province in which to live. This is evident by the number of compliments received by the Town from visitors and ratepayers alike. The Council feels it is extremely important to maintain this community driven standard and with everyone's cooperation council is sure this standard will be maintained and Milestone will continue to be "Showcase Town" for all visitors.

COMMUNITY CEMTERY CLEAN-UP DAY – JUNE 12, 2004 @ 9:00 AM

The town will be trying to have on an annual basis a "Volunteer Cemetery Clean Up Day". Dee Renwick has volunteered his services in this regard and will be spearheading the project this year with Jim Moorhead. Volunteers are asked to bring rakes, shovels, spades, garden tools etc.

PET (DOG AND CAT) LICENSES:

Please ensure your pet is properly registered and licensed at the town office. Pet licenses are \$10.00 for each pet. The registry ensures proper identification of your pet in the event it is impounded or otherwise required.

A PET CONTROL OFFICER HAS BEEN HIRED

IMPOUNDING

Any stray animal (running at large), whether licensed or not can be taken to the Regina Humane Society where it will be impounded and euthenized if the attempt to find the owner fails. Also, any person finding a stray animal can take the animal to the Humane Society.

PARKING

In accordance with the town’s TRAFFIC CONTROL BYLAW, council is requesting your cooperation in ensuring that your vehicle(s) **(THIS INCLUDES RV’s, Camper Trailers, Utility Trailers etc.)** are not parked on the street for more than a 24 hour period. The extended parking of vehicles etc. is not only in violation of the Bylaw but it also creates undue and unnecessary hardship for street cleaning, street maintenance and snow removal operations. It also creates an unsafe play area for small children as well as being unsafe for the general pedestrian traffic.

CENTENNIAL YEAR – LETS CLEAN UP FOR ALL THE VISITORS

Also please ensure your vehicle is parked on the right-hand side of the street having regard to the direction in which the vehicle was proceeding. If your vehicle is not parked in that manner and is hit or sustains damage, you may be liable for damages and your insurance may be void. Also, it is in violation of the town’s traffic bylaw and you may be fined if not parked in the proper manner.

RCMP POLICING MATTERS

The RCMP relies on public assistance with policing matters in the community. The following are some ways your assistance can be given.

- i) Driving offenses - contact the RCMP with the appropriate information i.e.: time, place, vehicle and driver if known. The RCMP will follow up on this information and issue the appropriate summons.
 - ii) Loud and/or annoying noises i.e.: House parties/dogs continually barking - An overly loud and obnoxious house party creating an annoyance should be reported. Appropriate action will be taken in accordance with the town’s bylaws.
 - iii) thefts, break-ins etc. - Any vehicles, persons or situations which you feel may be suspicious in nature should be reported to the RCMP, again giving the pertinent information, so the appropriate action can be taken by the RCMP
- If you have a policing concern please call the RCMP. Remember, an attempt to resolve the problem can only be made if it is reported.

Yearly Compliance Report for Drinking Water

Saskatchewan Environment “Drinking Water Quality and Compliance Regulations” requires that at least once a year waterworks owners (The Town of Milestone) provide notification to consumers of the quality of water produced and supplied, as well as information on the performance of the waterworks in submitting samples as required by the “Permit To Operate Waterworks”. This is to notify, pursuant to these regulations, that a summary of the Town of Milestone’s water quality and sample submission compliance record for the January 1st 2004 to December 31st 2004 time period is now available at the town office. This information can also be seen on line at www.saskh20.ca.

GOLFING

It seems just about everyone has taken up this sport and wants to practice. However Yogi Bear Park and other smaller confined areas are not suitable. Please when you or your family want to hit a few golf balls go to a larger area, school grounds, Ball Park, CPR right of way. In this way there is little or no risk of property being damaged.

COMMUNITY VOLUNTEERS- Each year volunteers make a substantial contribution to your community. The time and effort expended by all volunteers and their respective organization help in providing a great number of community programs, activities and the operation of recreational facilities. Without their participation, dedication and commitment to the community many of the services and programs provided in Milestone could not be funded or achieved. All are important and play an integral part in the development and betterment of our community. The numbers are varied and many, and each individual volunteer is as important as the organization itself. There can never be too much emphasis made of the important contributions you make to the community.

SPECIAL THANKS: - TO THE “MILESTONE CENTENNIAL COMMITTEE” AND TO A “CENTURY OF MILESTONES”

Members of the council are as follows: Mayor: Richard Galbraith Councillors: Lyle Cole; Judy Moorhead
Bev Siebert; Neil Garratt
Michelle Henry; Jeff Brown
